Collaborative Resources

- www.eHealth.dsu.edu
 - CCHIT certified vendor lists
 - Links to CMS and others
 - Other resources
 - Center for Advancement of Health IT

CAHIT Activities

- Clearinghouse of health IT resources
- Implementation resources / assistance
- Research and development
- Facilitate sharing of best practices
- Seek involvement of other education institutions in SD
- Develop EMR/EHR readiness matrix
- Risk assessment
- Conduct pilot HIE projects and analyze results

The screenshot shows a web browser displaying the South Dakota eHealth Collaborative website. The browser's address bar shows the URL <http://www.ehealth-sd.edu/>. The website features a header with the South Dakota eHealth Collaborative logo and the slogan "Prepare to Share, Share for Better Care". Below the header, there are navigation links for "eHealth", "CMS EHR Demo", "HISPC", and "Workgroups". A central box titled "Mission" contains the text: "Collaboratively develop a long range plan and facilitate the implementation of interoperable information technology to drive improvement in quality, safety, and efficiency of healthcare in South Dakota." At the bottom of the page, there are links for "FAQ | Resources | Contact Us | Home" and a small logo for the South Dakota Department of Health.
